

LOTTERY SOFTWARE MODULE

It's time to add some fun to generating sales for you and your members, while boosting your clubs revenue. Engage your members and automate payments for a weekly entry to your very own clubs Lottery game.

Pilot Club reported a huge increase in revenue in first few weeks of operation, partially due to a special offer. Now the offer has expired the increase in revenue is 300% higher than the previous manual /paper system.

-  Lottery entries can optionally be allowed from non-members.
-  Draw can be made automatically or manually with the numbers 'drawn out' entered into the system very easily.
-  System automatically identifies any winners.
-  Ability to price entries on a flexible basis. eg 1 line = £2; 2 lines =£4; 3 lines =£5.
-  Member entries can be restricted by age eg No under 18's can enter.
-  Members who have automatic entries receive email confirmation their entry was successful.
-  Members who have insufficient funds at the time of taking entries receive an email advising them that they have until to 'top up' their cards, once 'topped up' the entry is automatically made and a confirmation email is sent out.
-  Entries can be pre-selected numbers or 'Lucky Dip'
-  Lottery can be set up with a range of numbers, selections and minimum matches. eg Range = 1-28. Each entry is 4 numbers, match 3 or more to win.
